The batteries at Montmartre are being heavily fortified.

Monday night a balloon started secrity from College Rollin.

Weat it Costs to Exclude a Negro from a Saloen.

New Obligant, April 27.—Two coltrestly from College Rollin.

Yesterday the batteries at Courbavie bombarded Mailiot Gate and Arc do Triomphe. ity to weak vengeance upon a helpless pare glory to the judge and the partity. on mittigated castigation, "Old Shack" got it then and there from Chalmers. Fine was put on, but it didn't do any spood. Chalmers harruped him fore and aft, up and down his miscrable old carcase in such a shrewd and supple manner that although no manne was called, yet although no manne was called, yet avery shot went home and did damage. He showed how in the morning a negro had been tendered as a juror, who was proven to have perjured himself, and yet was allowed to go unwhipped of justice, although his arrest was demanded on the linears. He showed further that in the morning a negro juror and a white juror morning a negro juror and a white juror tected under guarantee of the rights.

The Statution has been demanded.

A new journal called the Puif, has appeared in Paris but will probably soon be suppressed.

The Ottoman Embassy in Paris has been tendered by the Supreme Court, before they can be admitted to practice.

Judge Debble gives Sheriff Sanvible, and goods of foreigners shall be protected under guarantee of the rights ever a poor devil of a Jeffrey got an

The crowning effort of Chalmers was in the case that followed this in defending should now be pulling been at the rope's ond without a footbold. But so it ever turns out, that when judges begin to present to defend and begin to defend any the results to gin to defend, whether the accused be

COST OF COTTON CLOTH.

Advantages of the South as the Lecality fer Cotton Milis-A Cotton Sale's Expenses on its Travels,

Some time ago we asked cotton sellers and to vers of the city to give us time exact cost of transferring a cotton bals of the pounds from the field to Lowell or Boston, and to Liverpool or Manchester. This involved the cost of picking, ginning, packing, transfer (say one hundred miles to Memphis, then all the costs that attach to the persecuted bale in this dity, and then its fare over the several routes to its final destination, and the cost of its reduced a special destination, and the cost of its reduced a special destination, and the cost of its reduced as follows: The Insurgents are isolated, and all France is with the Government and the Assembly in carried for the several routes to its first destination, and the cost of its reduced as follows: The Insurgents are isolated, and all France is with the Government and the Assembly in carried for the several routes to its reduced to the cost of its reduced file cost. After an enlicit, was recently kicked by a horse in despotism and the Assembly, Thiers contained file license.

A short time in Exposition at Knoxville.

A young son of James M. White-side file cost is a side, about five or six years old, was recently kicked by a horse in Gallatin, and ha perfected. Many people in the interior propose to manufacture their own cotton and to ship it in the shape of thread. Therefore the inquiry we made:

Editors Appeal—The average cost of

manufacturing especity squal to the consumption of one million belse annually, we would save eight to ten utilize deliberation of one million deliberation of one million deliberation of one million belse annually, we would save eight to ten utilize deliberation of the manufacturing especially of the product of the manufacturing especially shows a second of the product of the manufacturing especially shows a second of the product of the manufacturing especial to their brother Masons they would be saved by the planter by being placed in direct contact with the manufacturing especial to the constitution of the product of the product of the product of the planter by being placed in direct contact with a house maken against the versueless, and they appeal to their brother Masons to join them.

PERPETUAL PIGHTING—PROPOSALS

FOR PEACE.

PARIS, April 28.—The Communists bayes made a recommendation of the planter of t actives in the sale of his product, or the have made a reconnoisance toward dwantages to the country growing out | Bagnau, to the south of Parls, driv. | Balle Los.

In all cases where cotton mills have takes on Clamart, a railroad station, and were repulsed on each occasion. The Clichy battery has silenced to the fire of the vested than by those of the same especity vested than by those of Northern States. rested than by those of the same opening the control in the Eastern or Northern States.

This is a fact of history, notwithstanding the great want of a well organized syntem of tabor in all branches of industry throughout the cotton growing States.

This, however, is explained by the fact that our motories obtain the raw material in advanced posts, and the Eightieth that our factories obtain the raw material fifteen to twenty per cept. cheaper at their mile than these of Lowell or Providence cando. Or, in other words less counting and recaptored the barriedge, in surrance, exchange, and recaptored the barriedge. It will, the reduce, be seen that the difference in cost of putting the raw material down at the mile, would or does constitute a shand-some profits; the enemy has refired and recaptored the barriedge. The General adds: We hold all our positions; the enemy has refired and recaptored the barriedge. The form of the raw material down at the most of first, would or does constitute a shand-some profit of itself, if nothing more could be realized. But when we seld the matter one piece of artillery has been dismantied, and of artillery has been dismantied, and of artillery has been dismantied, and that our factories obtain the raw material his advanced posts, and the Eightieth

isst as judge, and saw how his case was positions of advanced posts, and he distinction, and sided and shotted in what was arrested also, but was afterward to Memphis and other papers by Aswould have been one of the deepest trageclies over enacted in the name of justice
